

Transfer coursework for Joliet Junior College Degree completion pathways

Benedictine University strongly supports those who are returning to their education pathway and offers multiple programs for students at every stage of degree completion. This includes programs for students who have work or life experiences that may align with their degree requirements. Elective credits may be demonstrated through the submission and approval of a Work/Life Experience portfolio (18 maximum hours) within the first year of the program.

Please speak with a transfer advisor to see how your work or life experience may apply to this program.

Benedictine University also partners with various programs for students to maximize their course completion pathways

*Fulfills Global Co-Curricular requirement

Please speak to a Transfer or Academic Advisor for more information for these adult completion programs.

¹ Distribution requirements vary for SGAPE programs depending upon potential degree completion pathways or Joliet Junior College and Benedictine University.

² Many SGAPE program completion pathways have specific social science requirements. Students are strongly encouraged to speak to a transfer advisor to determine needed pathway coursework.

This is a sample plan for a typical transfer student & should not replace advising from Joliet Junior College or Benedictine University. Placement scores and proficiency credit may alter a student's plan. As programs are subject to change, students are encouraged to meet with an academic advisor to discuss their coursework and transfer plan.
