					Associate of Arts Degree				

¹ Students who complete AA degree with IAI Statistics (M1 902) course will need to complete basic skills mathematics

² Recommend L1 905 or P1 903/P1 908/P9 901 for Benedictine University's sustainability co-curricular requirement

³ Recommend Introduction to Psychology - IAI course S6 900

⁴ Consult academic advisor for AA degree requirements. For approved BenU transfer business electives visit www.Transferology.com

⁵ Or approved business ethics course. Fulfills department cognate requirement

Students presenting completed AA degree:

- Transfer students who have completed distribution requirements and required elective courses (with the exception of the IDS seminars and the LC/EL co-curricular requirements) will be evaluated for any additional co-curricular requirements
- Will satisfy the general education course requirements at Benedictine University

Recommended Business Electives: To confirm business elective transfer courses please check with www.Transferology.com

This is a sample plan for a typical transfer student & should not replace advising from Joliet Junior College or Benedictine University. Placement scores and proficiency credit may alter a student's plan. As programs are subject to change, students are encouraged to meet with an academic advisor to discuss their coursework and transfer plan.

August 2017

**Benedictine University – Bachelor of Business Administration
Opportunities and Majors for Transfer students from Joliet Junior College**

Benedictine University recognizes the accomplishments and hard work of students who begin their degree path at Joliet Junior College . The College of Business offers a variety of four-semester degree plans in the following programs:

Bachelor of Business Administration (BBA) - Traditional Programs

Accounting: *Students may want to complete ACCY 103 and/or ACCY 105 as business electives prior to transferring to Benedictine University to fulfill the ACCT 211 and/or ACCT 212 degree requirements.*

Business Analytics: *Students may want to take Business Law I BLAW 101 as a business elective prior to transferring to Benedictine University if considering an Operations Management Concentration.*

Business & Economics: *Students may want to take Business Law I BLAW 101 as a business elective prior to transferring to Benedictine University if considering an Operations Management Concentration.*

Business with Science Applications: *Students may want to take their science sequence coursework prior to transfer. Please speak to an advisor or explore approved science coursework in www.Transferology.com.*

Entrepreneurship: *Students may want to take Business Law I BLAW 101 as a business elective prior to transferring to Benedictine University if considering an Operations Management Concentration.*

Finance: *Students may want to complete ACCY 103 or Business Law I BLAW 101 as business electives prior to transferring to Benedictine University to fulfill the ACCT 211 and/or MGT 235 degree electives.*

Human Resource Management: *Students may want to take Business Law I BLAW 101 as a business elective prior to transferring to Benedictine University if considering an Operations Management Concentration.*

Management & Organizational Behavior: *Students may want to take Business Law I BLAW 101 as a business elective prior to transferring to Benedictine University to fulfill MGT 235 degree requirements.*

Marketing: *Students may want to take Graphic Design I ART 107 as an elective prior to transferring to Benedictine University to fulfill GAD 260 degree elective.*

Bachelor of Arts (B.A.) – Traditional Programs

Economic: *Students may want to take an equivalent course for Calculus for Physical Sciences I prior to transferring to Benedictine University depending upon their math placement.*

International Business & Economics: *A study abroad experience completed at Joliet Junior College may fulfill the study abroad degree requirement. Please speak with an advisor to determine how any experiences abroad may transfer.*

Many of the BBA programs at Benedictine University are designed to provide students to further expand their business coursework and understanding. Students are encouraged to choose a concentration or pursue a double major that not only interests them, but also compliments their major and supports professional growth.

Concentration opportunities include:

<i>Business Analytics</i>	<i>Managing Human Resources</i>	<i>Operations Management</i>
<i>Financial Accounting</i>	<i>Management Accounting</i>	
<i>Digital Marketing</i>	<i>Visualization Techniques</i>	<i>Integrated Marketing Communications</i>
<i>Sports Management</i>	<i>Sports Marketing</i>	

This is a sample plan for a typical transfer student & should not replace advising from Joliet Junior College or Benedictine University. Placement scores and proficiency credit may alter a student’s plan. As programs are subject to change, students are encouraged to meet with an academic advisor to discuss their coursework and transfer plan.
