					<b>Associate of Arts Degree</b>				

<sup>1</sup> Recommend student takes L1 905 or P1 903/P1 908/P9 901 for Benedictine University’s sustainability co-curricular requirement.

<sup>2</sup> Students should consult potential major for course to meet introductory course credit (i.e. PSY 100 = PSYC 100; SOC 100 = SOCL 100)

<sup>3</sup> Many College of Liberal Arts majors require students take approved ethics course – IAI code H4 904

<sup>4</sup> **Recommended Associate degree electives:** Students wanting to pursue a potential minor or double major are also encouraged to consult with a Benedictine University transfer advisor for transferable course suggestion or [www.Transferology.com](http://www.Transferology.com)

<sup>5</sup> Students required to take from at least two subject areas

<sup>6</sup> Students are required to complete an approved basic skills math course for degree completion

<sup>7</sup> Students who complete AA degree with IAI Statistics (M1 902) course will need to complete basic skills mathematics upon transfer

**Students presenting completed AA degree:**

- Transfer students who have completed distribution requirements and required elective courses (with the exception of the IDS seminars and the LC/EL co-curricular requirements) will be evaluated for any additional co-curricular requirements
- Will satisfy the general education course requirements at Benedictine University

*This is a sample plan for a typical transfer student & should not replace advising from Waubensee Community College or Benedictine University. Placement scores and proficiency credit may alter a student’s plan. As programs are subject to change, students are encouraged to meet with an academic advisor to discuss their coursework and transfer plan.*

					<b>Associate of Arts Degree</b>				

<sup>1</sup> Recommend student takes L1 905 or P1 903/P1 908/P9 901 for Benedictine University's sustainability co-curricular requirement. Pre-PT/OT majors will require specific biology and chemistry coursework.

<sup>2</sup> Meets IAI social/behavioral science course requirement

<sup>3</sup> Recommend student take approved ethics course – IAI code H4 904

<sup>4</sup> **Recommended PSYC electives and recommended additional electives:** Students wanting to pursue a potential minor or double major are encouraged to consult with transfer advisor for transferable course suggestion

<sup>5</sup> Recommend students take IAI course S3 901 or S3 902 – at WCC courses ECN 202 or ECN 201

<sup>6</sup> Students are required to complete an approved basic skills math course for degree completion

<sup>7</sup> Students who complete AA degree with IAI statistics (M1 902) course will need to complete basic skills mathematics upon transfer

#### Students presenting completed AA degree:

- Transfer students who have completed distribution requirements and required elective courses (with the exception of the IDS seminars and the LC/EL co-curricular requirements) will be evaluated for any additional co-curricular requirements
- Will satisfy the general education course requirements at Benedictine University
- To confirm psychology or other elective transfer courses, please check with [www.Transferology.com](http://www.Transferology.com)

**Concentration in Pre-Physical Therapy or Pre-Occupational Therapy**  
**Bachelor of Arts in Psychology with a Degree Completion at Benedictine University**  
**Science Sequence requirements/equivalencies**

Benedictine University recognizes students have many elective choices while attending community colleges. Students who intend to pursue a concentration in pre-PT /OT are strongly encouraged to take the following science sequences if possible prior to transferring to Benedictine University:

Science Sequence	WCC Course	Title	BenU course equivalent	BenU course Title
<b>Biology *</b>				
	BIO 121	Principles of Biological Science I	BIOL 198	Principles of Biology
	BIO 122	Principles of Biological Science II	BIOL 197/199	Principles of Organismal Biology & Lab
<b>Chemistry</b>				
	CHM 121	General Chemistry	CHEM 113 /114	General Chemistry I & Lab
	CHM 122	Chemistry & Qualitative Analysis	CHEM 123/124	General Chemistry II & Lab
	CHM 231	Organic Chemistry I	CHEM 242/243	Organic Chemistry I & Lab
	CHM 232	Organic Chemistry II	CHEM 247/248	Organic Chemistry II & Lab
<b>Physics</b>				
	PHY 111	Introduction to Physics I	PHYS 113/114	College Physics I & Lab
	PHY 112	Introduction to Physics II	PHYS 118/119	College Physics II & Lab
<b>Mathematics</b>				
	MTH 112 or MTH 130	Pre-Calculus II: Trigonometry	MATH 111	College Trigonometry

*\*The Pre-PT/OT program requires a two course sequence of upper level anatomy & physiology (BIOL 203 & 208) which students may enroll in upon transfer if biology sequence is completed and chemistry requirements are met. Students who transfer in lower level anatomy & physiology courses (BIOL 157 & 158) will still need to complete BIOL 203 & 208 (upper level A & P courses) for concentration requirements.*

**Pre-Occupational Therapy Program:**

Students seeking a career in occupational therapy should plan to complete the health science or psychology degree with a concentration in occupational therapy, and then continue their education in a master's program in occupational therapy. In addition to your set curriculum, you will be required to complete a medical terminology course, a minimum of 50 clinical hours of observation, CPR certification and a first aid course.

Graduates from these programs are qualified to sit for the American Occupational Therapy Association Certification Examination. Interviews with and a recommendation letter from the Health Service Recommendations Committee should be arranged for during the spring or fall semesters of the junior or senior year.

**Pre-Physical Therapy Program:**

Students seeking a career in physical therapy should plan to complete a health science or psychology degree, and then continue their education in master's degree or doctoral programs in physical therapy in order to be eligible to apply for and complete the licensing examination in Illinois and other states. Interviews by, and a recommendation letter from, the Health Science Recommendations Committee should be arranged for during the spring or fall semesters of the junior or senior year.
