Activates Campus Response

The Title IX Coordinator leads the University response, which may include investigations by the Title IX team and/or law enforcement. The Title IX Coordinator will inform you of your rights and options.

Interim remedies may be taken including a no-contact order, classroom or housing adjustments, or connection to on and off campus survivor resources.

The Title IX Coordinator will conduct a thorough investigation of the incident. Evidence will be collected and a Final Report will be presented to the appropriate University Vice President. All parties will receive a copy of the Final Report and will be informed of the final decision by the University Vice President.
